

WordPress Developer

Custom Themes, Plugins, Multi-lingual, SEO Optimization & Site Speed

Overview

Hello! I'm a seasoned WordPress developer with over 9 years of experience building high-performance websites for businesses, e-commerce stores, and blogs. I specialize in creating **custom themes** from scratch, developing bespoke plugins, and optimizing sites for speed, security, and SEO. Whether you need a full-site build, migration from another platform, or troubleshooting complex issues, I deliver clean, scalable code that aligns with your goals.
